## Professional Summary

A highly motivated and passionate Fullstack Developer with experience in building and maintaining responsive web applications using React and Express.js. Seeking a Fullstack developer role to leverage my skills in JavaScript, Node.js, and modern web development technologies to contribute to innovative projects and grow professionally in a collaborative environment.

## Technical Skills

**Frontend:** HTML, CSS, JavaScript, React, Redux, Tailwind CSS

**Backend:** Node.js, Express.js, RESTful APIs

**Database:** MongoDB

**Version Control:** Git, GitHub

**Tools:** Webpack, Babel, Docker

**Other:** Agile Methodologies, Test-Driven Development (TDD), CI/CD.

## **Education**

### **Bachelor of Science in agricultural and Environmental Engineering**

Obafemi Awolowo University, Ile-Ife, Osun State

Graduated: September, 2023

## **Projects:**

### **SPA (single page application):**

- Developed a single page application using reactjs.
- Implemented options like sider image, chart-js (bar-chart, pie-chart and line-chart)
- Implemented smooth scrolling

### **Book Store:**

- Developed a full-fledged book store website using React for the frontend and Express.js for the backend.
- Implemented responsive design and SEO-friendly features.
- Implemented user authentication, CRUD operation where users can login on their various account to create books. Edit books, update books and delete books as they deem fit.
- Used MongoDB, to store my data, multer and cloundinary to store images and receive it back with a unique url.

## Backend application

- Developed a backend application while using Express.js for the backend.
- Consisting of Model-Schema, controller and routes.
- Used MongoDB, Middleware and Nodemon.

## Blog Platform:

- Built a blog platform with React, Node.js
- Crated a database for the project since it is just a demo app.
- Features include user authentication, post creation/editing, and comments.
- Implemented responsive design and SEO-friendly features.

These and more are included in my [GitHub account](#)

## **Extracurricular Activities**

- **Open Source Contributor**

Contributed to various open-source projects on GitHub, including bug fixes and feature enhancements.

- **Tech Meet up Organizer**

Organized and participated in local tech meet ups to discuss and share knowledge on web development trends and technologies.
