### PROFESSIONAL SUMMARY

Highly skilled and creative designer, passionate about user centered, boasting a proven ability in delivering exceptional digital experiences. Re-nowned for expertise in crafting, engaging and delightful user interface, making me an ideal choice for any user experience design project.

I bring excellent communication skills and a proven ability to work collaboratively with colleagues, stakeholders, and end-users. My goal is to leverage my technical expertise to drive continuous improvements and contribute to the success of my organization.

### EXPERIENCE

#### UIUX Designer

*Sep 2023 - Jan 2024 | Univelcity*

- Assisted senior designer to define project goals, requirements, conducting user research, creating wireframes and mockups for project, collaborated with the development team to ensure designing implementation aligned with user requirement, assisted in the creation of detailed design documentation and style guides for ongoing project, ensuring design consistency and ease of project management.
- Assisted during the user interviews to gather insights and inform design decision.

*April 2018 - April 2019 | College of Education, Ikere-Ekiti (National Youth Service Corps)*

Roles: quality assurance officer

- Reports and identify any critical compliance risks to senior management.
- Managed and maintained databases, tracking all quality assessment results.
- Provide assessment of the overall quality of production and distribution processes.
- Assists with the development and implementation of quality assurance guidelines.
- Ensured that all internal quality control procedures were implemented.
- Investigate reports of quality issues with various reports.
- Prepare the college reports and analysis of the months

### EDUCATION

#### B.Tech MICROBIOLOGY

*Ladoke Akintola University of Technology , Ogbomosh, Oyo, Nigeria | 2016*

#### PROFESSIONAL CERTIFICATE IN PRODUCT DESIGNER (UI/UX)

*Univelcity, Lagos, Nigeria | 2023*
